Tax office: _____ Tax number: _____

This application cannot be processed if details of tax office and tax number are not provided!

Permits of this nature are required for events if alcoholic drinks are sold in amounts greater than samples for consumption on the premises (§ 68a Industrial Code).

Sample amounts are considered to be regularly exceeded if alcoholic drinks are served in the amounts or portions customary to the restaurant business in Hamburg. This means, for example, that beer served in 0.2 litre glasses or spirits in 2 cl glasses are not seen as samples.
