

## Order invitation codes for your customers - it's that easy!

Increase the success of your trade fair participation and invite your customers!

**Ordering codes** for customer invitations is **free of charge** for you.

1. Log in to the [Online Service Center](#) (OSC) with your personal log-in data. You can access the Exhibitor Ticket Shop via the first menu item "**Exhibitor Ticket Shop**". Here you will see the **conditions** for the calculation of the **invitations issued**.
2. You can order your desired number of invitations in the Exhibitor Ticket Shop in the "**invitations / codes for visitors**" tab under "order invitations", with your company's logo imprint if desired. You can find the prices for logo printing in the "FAQ" tab.
3. Under "**Overview status**" you will find the **ordered invitations / codes** (as PDFs and Excel files). The PDFs contain instructions on where and how to redeem the customer invitations.
4. Under "**Overview status**" you can also see how many customers have already **redeemed** their codes. After the event, you can also see here how many customers **have joined** with your codes.
